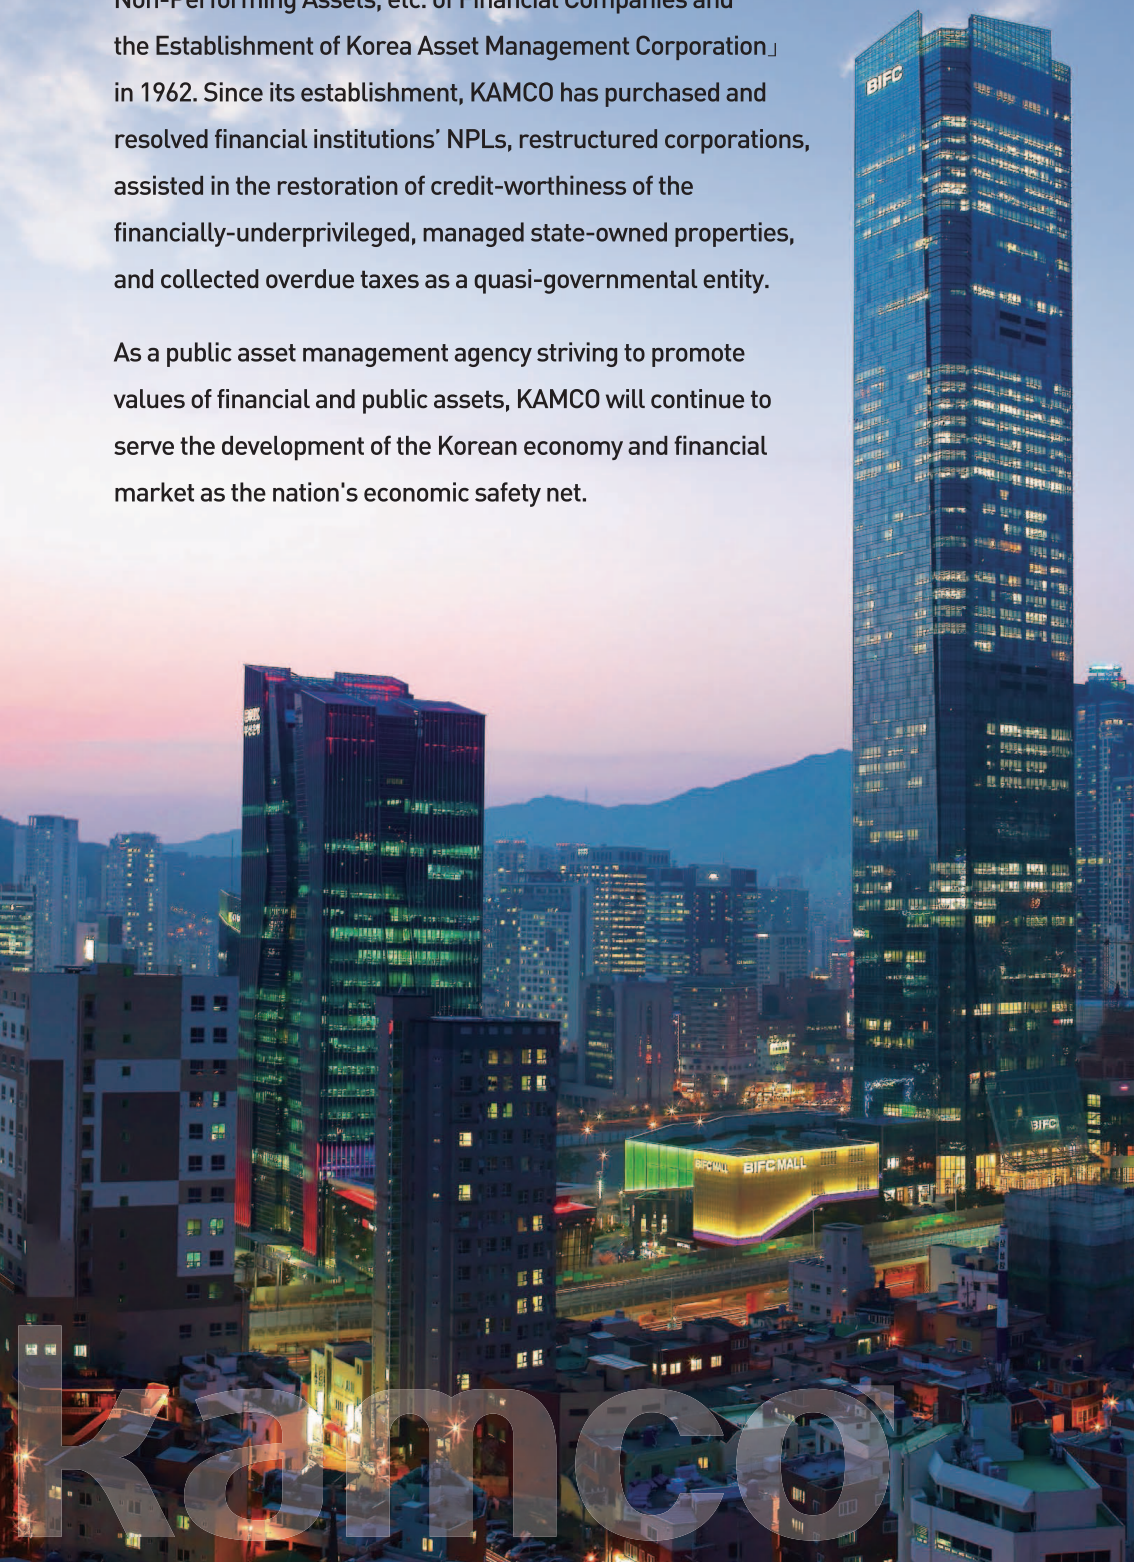
### Kamco Training Program

kamco KOREA ASSET MANAGEMENT CORPORATION

# About KAMCO

KAMCO was established by the Act on the 「Efficient Disposal of Non-Performing Assets, etc. of Financial Companies and the Establishment of Korea Asset Management Corporation」 in 1962. Since its establishment, KAMCO has purchased and resolved financial institutions' NPLs, restructured corporations, assisted in the restoration of credit-worthiness of the financially-underprivileged, managed state-owned properties, and collected overdue taxes as a quasi-governmental entity.

As a public asset management agency striving to promote values of financial and public assets, KAMCO will continue to serve the development of the Korean economy and financial market as the nation's economic safety net.



# About KAMCO KEI

## What is KAMCO KEI?

As the oldest public AMC in the world, Korea Asset Management Corporation (KAMCO) has been requested from many countries to share its expertise and know-hows.

Corresponding to global demand, in 2018 KAMCO launched its own international training program, K-KEI (KAMCO Knowledge Exchange Initiative), to support and advise governments and institutions on the topics related to KAMCO's main business areas.

K-KEI aims to enhance financial and public asset soundness, promote interregional cooperation and contribute to building world economic safety net. K-KEI instructors are comprised of selected KAMCO and external personnel with extensive knowledge and work experiences pertinent to requested field.

## What are the topics of KAMCO KEI?

The main topics include KAMCO's main business areas:
- NPL Resolution
- Corporate Restructuring
 -Management and Development of State-owned Properties
- Delinquent Tax Settlement
- Household Credit Recovery
- On-line Bidding (OnBid) and others.

## Who can Participate?

Participants of the K-KEI program could be from any Institutions with the needs and demands related to KAMCO's business areas.

## How long is the training?

The duration of the training will be determined after a careful analysis of recipient institutions' need and negotiation with KAMCO.

## Where does it take place?

The program can take place at the KAMCO Headquarters (Busan), Seoul Regional office or the HR Development Center (Asan). Online training seminar is available at the request of recipient institutions.

## What is the cost?

The actual expenses shall be covered by the participating institution. Additional service charge covering the costs related to KAMCO's internal preparation may apply.

For governments or institutions that wish to participate in K-KEI, please request for 'Proposal for K-KEI' form and submit it via email. (contactus@kamco.or.kr)
